Inspire Runners Chichester – January 2025

Online safety and social media policy

This policy has been developed to inform our club members about using social media (*Facebook, YouTube, Twitter, Tik Tok, Instagram and all other social networking sites and forums)* so people feel enabled to participate, while being mindful of their responsibilities and obligations. In particular, this policy provides practical guidance allowing all parties to benefit from the use of social media, while minimising potential risks and protecting those involved.

Managing online presence

Our online presence through our website or social media platforms will adhere to the following guidelines:

- all social media accounts will be password-protected, and at least 2 members of the club will have access to each account and password
- the account will be monitored by at least two designated volunteers in order to provide transparency, who will have been appointed by the organisations committee
- the designated volunteers managing our online presence will seek advice from our designated welfare officer to advise on safeguarding requirements
- designated volunteers will remove inappropriate posts by club members, explaining why, and informing anyone who may be affected (as well as the parents of any children involved)
- The club will decline requests from children under 13 to join the club's social media accounts (under 16s for whatsapp)
- We will ensure all club members are aware of who manages our social media accounts and who to contact if they have any concerns about something that's happened online
- our account, page and event settings will be set to 'private' so that only invited members can see their content
- identifying details such as a club members home address, school name or telephone number shouldn't be posted on social media platforms
- any posts or correspondence will be consistent with our aims and tone as a club
- parents will be asked to give their approval for us to communicate with their children through social media, via video conferencing platforms or by any other means of communication
- permission for photographs or videos should be given before posting on social media
- video conferencing sessions will be password protected in order to maintain children's privacy and prevent exposure to inappropriate or harmful content by third parties

Online behaviours

The code of conducts state the expected behavioural stanadrds, this includes behaviour on social media. Here is some specific does and donts to consider before posting on social media:

- Pause and think about what you are saying and the impact it might have

- Be careful, respectful and positive. You are personally responsible for what you post. If in doubt, don't post it.

- Think about your image – 'what do I want people to think about me or my club?'

- Consider who you are interacting with - you will likely come into contact online with under 18s. Familiarise yourself with safeguarding regulations in relation to engaging with under 18s.

- Respect confidentiality within the club e.g. tactics, team information, announcements, coaching advice, training sessions.

- Remember many different audiences may see your posts including club members, potential members, children, member's relatives, and friends.

- Be smart about protecting yourself, your privacy, and confidential information. What you publish is widely accessible and will be around for a long time, so consider the content carefully and your privacy settings.

- Don't post content that discriminates against individuals or groups on the basis of age, disability, gender reassignment, marriage & civil partnership, pregnancy & maternity, race, religion or belief, sex, sexual orientation.

- Don't write anything on social media channels that you wouldn't feel comfortable seeing in a newspaper or hearing on TV. Everything you write is treated as a direct quote i.e. 'Don't tweet what you wouldn't say to your mum/gran' or 'Think before you tweet' or 'Would I say this face to face with someone?

- Don't speak negatively about other club members, competitors, officials or governing bodies. Never use slurs, personal insults or obscenity. Be professional and respectful.

- Be in the right state of mind when you make a post. Don't post when you're angry, upset, or your judgement is impaired in any way. Be very careful what you say, do and post because once it's on a social media channel, it can go viral very quickly.

- Don't engage in on-line disputes and don't allow family or friends to argue on your behalf.
